As of November 15, 2016 we will no longer be offering full digital access to AdAge.com. However, we will continue to send you our industry-leading print issues focused on providing you with what you need to know to succeed. If you'd like to continue your unlimited access to AdAge.com, we invite you to become a paid subscriber. Get the news, insights and tools that help you stay on top of what's next. Have You Seen the Bigfoot? For Advertisers? Most Popular Broadcasting pioneer AM radio talks program Nightline is about to give way to CNN, and a large measure of what distinguishes Nightline is that it operates in a certain subculture. People who listen to Nightline know the band Led Zeppelin by heart, but they're hardly familiar with the two-year-old band called Karmagram, which has adopted "Paranoia" as its latest single. And that's the way radio, television and advertising once operated. Nightline is a national unscripted radio talk show modeled after ABC's Nightline news program. It
